

HOTEL RESERVATION RELATED INFORMATION

Participants would book the hotel on their own responsibility directly by booking site or the hotel.

It is possible for individual participants to make bookings by sending an e-mail directly to Best Western Premier Tuushin Hotel. In the e-mail, the participant should state basic booking information, the event name, and that their stay is arranged by National University of Mongolia; and send it to reservation@bestwesternmongolia.mn and sm@bestwesternmongolia.mn.

If the booking is made through any kind of booking website, the participants will not be able to enjoy the special rate offered for NUM guests.

**We have negotiated with Best Western Premier Tuushin Hotel to give a discount to our conference guests.*

Another option can be receiving the list of participants willing to book the rooms in the above hotel. Then we can send it to the reservation officer of the hotel.
